Alma Mater

*In the morning light and evening fall,
Through all the days of coming years
In times when glowing futures call
In hearts with laughter and with tears,
Our love for you will never die,
Oh Alma Mater, West Side High*

*This love we have for you has grown
more bright than any treasured gold,
It deepens through each friend we've known
Each truth that to our hearts is told.
Within the rooms where wisdom calls.
Our love for you will never die,
Oh Alma Mater, West Side High.*

*Though we have need to wander far,
Close in our hearts your name will be,
Your goodness, like a radiant star,
Will rise with every memory;
And having these sweet dreams of you,
We shall remember and be true.
Our love for you will never die,
Oh Alma Mater, West Side High.*

*In morning light and evening fall,
Through all the days of coming years,
In times when glowing futures call,
In hearts with laughter and with tears,
Our love for you will never die,
Oh Alma Mater, West Side High!
Our love for you will never die.*

Friendship ~ More Precious than Silver or Gold

Mrs. Inez G. Appling

Mrs. Inez G. Appling, Scheduling Vice-Principal, is the ultimate professional. Her indomitable strength and commitment to the students of West Side High School, underlined with her genuine caring for them and their success, has endeared her to all the students, faculty, and staff. The class of Two Thousand and One is privileged and honored to dedicate this first yearbook of the Twenty First Century to Mrs. Inez Appling, no one is more deserving than she is.

Whether she is moving students through the halls, helping students with scheduling concerns, holding conferences with students and their

parents, or meeting with teachers and other administrators, Mrs. Appling manages to let her openness, sense of fair play, mothering spirit, and tough love, if needed, guide her in her daily interactions.

She is a loyal and giving friend, loving wife and mother, dutiful daughter and sister, and above all her strong convictions and faith in God have contributed to her success. She strongly believes that prayer is the key to a peaceful and successful life. Mrs. Appling is truly loved by all of the "rough riders" of West Side High School.

Anona Huntley is a true professional that is committed to the students at West Side High School. She Began her career at West Side High in March 1998 when she was hired as Science Department Chairperson.

Under her leadership the science department has flourished. Students and teachers have participated in national and local competitions sponsored by Toshiba, Schering Plough and Panasonic. Mr. Mahoney's physics students won the Northeastern Regional Award in 1999 sponsored by Toshiba. Student's 9-12 grades won prizes for essay writing and posters.

Mrs. Huntley's love for children is evident when one observes her tireless efforts in ensuring that students perform at their best academically and socially. Mrs. Huntley is known academically for ensuring that students enrolled in classes in the science department find their niche and produce projects that

are second to none. Each discipline and grade level must produce an interdepartmental project with the English or Social Studies Department. She challenges the teachers under her supervision to enroll their students in various competitions for each discipline taught. Socially she has students from West Side participate in the Harvest Cotillion sponsored by the Phi Delta Kappa Sorority, which she is currently a member of.

She began educational career as a teacher in the late sixties. Having been born in a family of educators (both parents were teachers), she was destined to serve as an educator. Mrs. Huntley is the 2nd child from a family of three. She was born, raised and educated in Jackson, Tennessee. She was one of the first to integrate Lambuth University in Jackson, Tennessee. She was the first Black to graduate from this university. She earned a Bachelor of Science Degree. Upon the completion of her Bachelor

Mrs. Anona Huntley

of Science Degree from Lambuth University she came to Newark and was hired as a teacher. She taught for over twenty years and now serves as Science Department Chairperson.

Mrs. Huntley is a true professional who certainly deserves being acknowledged and appreciated by the senior class of 2001.

The 2001 Lamp is Dedicated to both of you with much love.

TO THE CLASS OF 2001

Four years ago, you entered West Side as bright-eyed, confused, and energetic youngsters. Today, you leave as sophisticated, wiser, young men and women eager to assume responsible positions in our society.

As you prepare for your future endeavors, we wish you well. It was the goal and the hope of all of us here at West Side to equip you with the skills and tools necessary to lead successful, productive, and rewarding lives.

Now that you are departing, may you leave with the confidence, pride, courage, and respect we so dearly tried to instill into you. May you be steadfast in your quest for righteousness and justice. May you accept challenge and reject inactivity. May you always value time. May you experience just enough pain to make you appreciate pleasure. May you embrace the joys of life and never disregard the sorrows. May you always look ahead but never be afraid to look back. May all of your dreams be built on solid foundations.

I wish you good health, boundless successes, and peace in the years ahead.

Sincerely,

Fernard M. Williams
Principal

I attended Lunenburg High School in Virginia. While in high school I was a very outgoing student. The extra-curricular activities I participated in were: basketball, softball, cheerleading, chorus, yearbook committee and I was also a student counselor. My most memorable high school moment was when I was chosen to work in the principal's office (with pay). My first date was when I attended the Junior Prom. Out of total respect I had for my parents I never stayed out past my curfew and I never got into trouble. My favorite teacher was my Chemistry teacher. I enjoyed the field of science. I was a freshman in college before I started driving. My prom consisted of a night of dancing, eating and elegance. In high school my favorite song was "My Girl" by the Temptations.

GLORIA PINCKNEY
ACADEMIC VICE PRINCIPAL

I attended St. Elms High School, located in Mobile County, Alabama. As a high school student I was very popular and active. Some of my activities included: being a member of the Drama Club and National Honor Society, being voted high school queen, Miss Personality and Senior Class President. My most memorable high school moment was when I was chosen by my peers to represent our school as the queen. My first date was when I was sixteen, we went to the movies. If I did not get home by curfew time I was put on punishment. I had to go to my room with all the lights turned off and prepare for bed in the dark I often got in trouble for talking on the phone too long, especially if my father could not reach my mother (we had no call waiting). My favorite teacher was Ms. Bonita Gill. She was an excellent teacher and mentor. She taught honors math. I began driving in October, 1972. My Senior Prom was a lot of fun. I wore a beautiful dress, it was a powder blue gown, which I borrowed from my cousin. My favorite songs while I was in high school were "Since I met You Baby" by Ivory Joe Hunter and "Cry, Cry, Cry Baby" by Garnett Mims.

IINEZ APPLING
SCHEDULING VICE PRINCIPAL

I attended Washington County High School until the eleventh grade. I eventually switched to Plymouth High School during the desegregation process. My most memorable moment of high school was winning the state championship in basketball. I went on my first date at age sixteen. My senior prom was held in the school gym. Professional decorators set up everything. It was great!!

LAST WILL & TESTAMENT

1. To Mr. Paul, I Shantela Hedrington leave you all my memories of Close-up.
2. I Cheryl Hawkins, leave Mr. Rice my thanks for making my transition to West Side easy.
3. To incoming seniors, I Mubarbrk Guy leave you all the teachers who helped me along the way.
4. To all teachers, I Jenelle Thomas thank you for the help and support throughout my four years at West Side High.
5. I, Jeanine Thomas, leave you with this quote "live life to the fullest."
6. I, Isa Williams leave my jersey #22 to the best ball player.
7. To Mr. Hassan Vann, I Natasha Holmes leave you a new clock so you will always know the right time.
8. I, Ahmir Branch, leave to the classes of 2002 and 2003, Mr. Williams, Mrs. Appling, Mrs. Huntley and Mrs. Sweeney, without them the class of 2001 would not have been strong.
9. To all students, I Carl Brown, leave you this thought, "don't let anyone hold you back from doing what you need to do in life, do something positive."
10. To my fellow friends or associates, I Raziah Massie wish you good luck in your future.

11. To Ms. Small, I Ty-iesha Boone leave you my two purple pens.
12. To all students, I Elisa Gonzalez leave you with Mrs. Maldonado a great art teacher that helped me discover my inner creativity in art.
13. I Sameeh Mc Donald, leave you with this saying, "work hard for all the things you want in life."
14. To my fellow underclassmen I Tamirah Bludson encourage you to stay in school no matter what. Education is very important, it is something no one can ever take away from you.
15. I Diana Henry, leave Mrs. Blount my sister who will be here to torment her next year.
16. To the class of 2002, I Jomo Lobban leave this advice, be on your best behavior in the cafeteria, or the price is yours to pay!
17. To Mrs. Anderson, I Tiffany Berkley leave you with playfulness in the gym.
18. I Shawn Chara Wright, leave everything to each student at West Side.
19. To Dawn Mclead, I Tiffany Stewart leave my academic achievement so someday you will be just like me.
20. I Audrey David, wish the class of 2001 all the best in the future.
